

# Welcome to Cheap Chief NFT

The Lei, Sei and Fei are called the Lesefi and often called the world's first Nogi or oldest tribe.

10,000 unique collectible characters with proof of ownership stored on the blockchain.

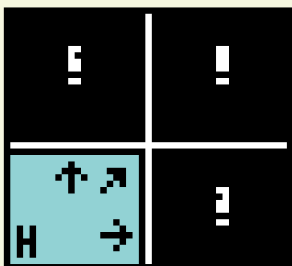

Lei

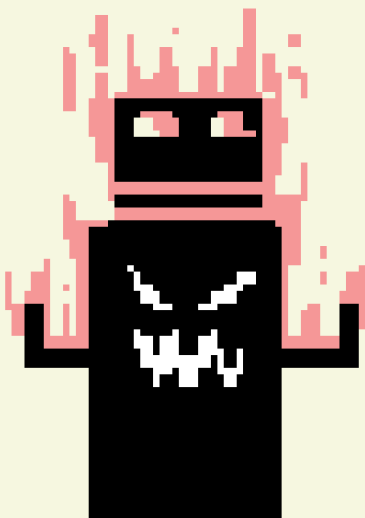

Sei

Fei

Holders can decide who they want to support.

Who is the real Chieftain?

About the project:

1. Lei, Sei and Fei name idea: From my wife "L.A" and children "Frejya" and "Seiya".
2. Nogi is my name, mentioned in the first paragraph.
3. Roadmap? I will think about it since I don't have a team and its just me with no coding experience.
